

**Bristol Primary Care** is part of an Accountable Care Organization (ACO). We've teamed up with other doctors, hospitals, and health care providers to make sure you get the best care.

***We provide coordinated care for you to get well & stay well.***

- You get patient-centered care focused on YOUR needs.
- Your health care providers can see the same test results, treatments, and prescriptions.
- More coordination helps prevent medical errors and drug interactions.
- You may save time, money, and frustration by avoiding repeated tests and appointments.
- Better communication can help protect against Bristol Primary Care LLC fraud and waste.

***Get the most from your care with our communication & support.***

- Ask about signing up for our secure online portal. You'll get 24-hour access to your personal health information, including lab results and communication from your health care provider. When you choose a health care provider that participates in an ACO, they'll help you get the right care at the right time.
- You can visit Bristol Primary Care LLC and log into (or create) your secure Bristol Primary Care LLC account to choose a primary care doctor. Bristol Primary Care LLC protects the privacy of your health information. If you don't want Bristol Primary Care LLC to share your health information with your doctors for care coordination, call BRISTOL (860) 261-5217. Bristol Primary Care LLC may still share general information to measure provider quality. For more information on how Bristol Primary Care LLC may use and give out your information, visit Bristol Primary Care LLC and search for "privacy."
